About Us

At Muse Built, we know a family home.

Being a family run business, our director one of 6 kids and spending his entire career working in family homes, we know what creating your dream means to you, it means just as much to us.

Your home, Our pride.

We understand that renovating is an emotional journey. Your home holds years of memories and you want to create decades more to come.

We listen to your every wish and concern.

Bring your ideas and inspirations to us and we will help bring these to life.

Renovations & Extensions

Feeling a little cramped?

Tired of looking at that outdated bathroom?

Combine your ideas and our expertise to create the space you've always wanted.

From whole house renovations to new bathrooms and kitchens, we can help give your home a new look.

Or if space is what you need, we can extend up or out giving you large open plan living areas or a few extra bedrooms.

Outdoor Living

Who doesn't love outdoor living spaces!

We know that outdoor living is key in the Australian lifestyle, so we create spaces that are aesthetically pleasing, functional to use and space-maximising.

From timber decks, screened enclosures, pergolas, carports, fire pit areas and anything in between.

We have the experience and skill to create your dream outdoor living and entertaining areas.

Commercial Spaces

Does your business space need a revamp?

When it comes to business, we know first impressions count. Let us help you create your dream business space, or revamp the existing.

From retail shop fit outs, large commercial gym spaces, health centres and cafe's, we've helped bring local businesses to life.
